

**Mojave Desert Air Quality Management District
Community Relations & Education Office
14306 Park Avenue, Victorville, CA 92392**

NOTICE OF HEALTH ADVISORY

PAGE ONE OF ONE

DATE OF ADVISORY: July 14, 2010

**VALID DATE: Thursday, July 15, 2010
Time: 10 AM – 10 PM**

For further information, contact:

Violette Roberts, Community Relations & Education Manager
(760) 245-1661, ext. 6104

Please be advised that ozone levels in **Phelan** may exceed 100 on the Air Quality Index (AQI) on Thursday, July 15, 2010.

Since AQI levels between 101 and 150 are considered unhealthy for sensitive individuals, the Mojave Desert Air Quality Management District (MDAQMD) recommends the following precautions:

- Active children and adults, and people with respiratory disease, such as asthma, should limit prolonged outdoor exertion.
- Susceptible persons, such as those with heart or lung disease, should minimize outdoor activity.

For more information, call the MDAQMD at (760) 245-1661 ext. 6104, or **visit us on the web at www.mdaqmd.ca.gov for real-time air quality information and up-to-the-minute forecasts, or to sign up for *EnviroFlash*, our e-mail, Twitter and cell phone air quality alert system.**
